CELEBRATING CHORLEY BY NIGHT

ABOUT CHORLEY LIVE 2025

Thank you for supporting our award winning weekend of live music and entertainment – Chorley Live – which is back for its eleventh year!

We've got almost 280 performances across 35 venues in the town centre on Friday 3 and Saturday 4 October.

The format of the event, organised jointly by Chorley Council and the Creative Network, will feature performances at 7pm, 8pm, 9pm and 10pm in each venue lasting 45 minutes with a 15 minute changeover. People will be able to come and go as they like in any of the venues.

Entry to the venues will be via a wristband that costs £6 and this gets you into every venue over both nights. Under 12s are free and don't need a wristband – there are certain venues, due to their licensing conditions, that children won't be allowed into but this information will be included on each venue page.

The aims of the event are:

- To establish an annual creative arts festival in Chorley that helps support the night time economy and local businesses
- Attract visitors who don't live in the Chorley area or who don't regard Chorley as a leisure destination
- Improve Chorley's offer of live entertainment for local residents
- Encourage local businesses and organisations to see live entertainment as part of their business model
- Help grow the creative community in the area – increasing the number and quality of acts available for live entertainment

The types of performances will be a wide variety ranging from rock and soul bands to guitarists, drumming groups, dance groups and singers.

All the information for venue locations, performance details, including timings, are contained in this programme with a map on the centre pages – any last minute changes will be updated at chorleylive.com

We'd love to know what you think of the event so
tweet us using #chorleylive or comment on the
Facebook page Chorley Live.

CHORLEYLIVE.COM

THE CREATIVE NETWORK

We are really looking forward to this year's Chorley Live, which we are confident will be a fantastic success!

The Creative Network* and Chorley Council have worked together to deliver this festival, and we are proud of what we've achieved. Last year was a fantastic success with around 12,000 people attending the festival.

The Creative Network is a grass-roots, non-profit, community group that is committed to developing the local creative arts scene by:

- 1 Creating fantastic memories of live entertainment
- 2 Encouraging local venues to see live entertainment as part of their business model
- 3 Bringing hundreds and hundreds of creative people together because... we believe that when you bring creative people together... great things happen!

To continue growing this vision, we need your support. Subscribe to our free newsletter by emailing info@thecreativenetwork.org.uk. You'll then receive our email containing all kinds of creative arts-related events and information for our area.

Thank you for your support, Nigel Stewart.
